A BRIEF OVERVIEW

Gulmarg

The excellent ski slopes, brilliant winter Sunshine, the wooden cottages and sumptuous food make Gulmarg one of the most sought after winter destinations in the world. A global village if there ever was.

Skiing

Almost nothing matches the sheer exhilaration one feels skiing down the slopes of a mountain. The balance it teaches you, the leg muscles it strengthens, the fear of falling it helps overcome are just a bonus.

WHAT TO GET ALONG?

Ah, the Kashmiri winters. The temp can fall as low as -10 degrees C in the night, but don't worry, you will be warm and comfortable in your room. Day temp is around 10 degrees, but lot depends on the wind chill factor. Right clothing is absolutely essential. Pile on your woollen sweaters, caps, gloves, socks and a thick jacket. And of course the thermal innerwear. Weatherproof shoes will make our ramblings in the snow easier. Will provide a complete list on signing up.
