## NEW YEARS HIGH

Jam packed stars, not roads. That's the theme of this trip in a nutshell. Its been a CWH tradition to bring in the New Year amidst the High Himalaya. The weather is cold, but sitting around the fire, chatting and laughing in relative comfort and luxury, it doesn't appear so. Days are spent walking amongst the Deodar forests listening to the stillness, playing board and card games and eating lots of sumptuous food. And sometimes it snows and then its just like childhood unleashed. All in all, a great start to a New Year.
