

A CWH GROUP TREK TO THE
MEADOWS OF PUSHTARA IN
GARHWAL. 5TH – 11TH MAY 2024

SUMMER TREK TO THE MEADOWS OF PUSHTARA

Above the Supin river, surrounded by an amphitheatre of snow-covered peaks, lie the stunningly beautiful and wide meadows of Pushtara. We climb through quaint villages and thick forests, on to the rhododendrons in full bloom, then to the breath-taking ridge of Phulara and finally to the rolling meadows spread as far as eyes can see. Camping amidst a carpet of flowers, with snow peaks within touching distance, with only shepherds and their sheep for company– this is the quintessential Himalayan trekking experience.

TRIP HIGHLIGHTS

- Stay in a river camp before the trek.
- Spectacular ridge walk
- Camping in untouched meadows
- Medium grade trek, open for all

A BRIEF OVERVIEW

The meadows

Called thach or bugyal in the local language, a meadow is an integral part of life in the high Himalaya. They are the summer home for shepherds and pastures for their livestock. Perfect for pitching camps, enjoying the starlit nights and surrounded by snow covered peaks, the Pushtara meadows are also ideal for trekking.

The trek

Starting from the small village of Sankhri, we climb through thick forests and then walk along the ridge amidst some of the best Himalayan scenes anywhere, to finally reach the rolling green meadows. It's a medium-grade, 4-day trek with highest altitude of 3700M and beautiful campsites; a proper Himalayan trek.

WHAT TO GET ALONG?

Himalayan summer means long pleasant days and cool nights. It will be cold as we camp high on the meadows but we will be snug in our sleeping bags. Temp ranges from 5 to 30 degrees on the trek. Never count out the occasional Himalayan shower though and also presence of snow on the trail. We will be prepared accordingly: Woollen sweater, cap, socks and gloves, a light rain jacket and good trekking shoes are the essentials. Layering is the key. Detailed checklist on signing up.

MAKING A CONTRIBUTION

There is always a way of giving back to the place and people where we go for our holidays. We are organizing this trek with a group of guides and porters of this area. This is their only source of employment apart from the once a year crop cycle. You can also support local handicraft weavers by buying your woollens from them directly.
